# DOLAN, ROWLAND WIN IN CLASS ELECTIONS

## Student Loan Fund Drive Set For Next Week

### Phi Theta Kappa And Alpha Gamma Sigma Push Drive

#### Wednesday And Thursday Are Set To Raise Sum Of \$100

With the Phi Theta Kappa \$100 Penny drive scheduled for next Wednesday and Thursday, much enthusiasm was being aroused to-day in the contest between classes, according to Miss Lella B. Watson, adviser of the honor society.

Money will be collected in containers from each class during the two days of the benefit drive and will be donated to the Student Loan fund. A large box of candy will be awarded to the class contributing the most money. The prize will be presented the following week for consumption during class time.

**To Sponsor Drive**  
A dance will be sponsored Friday night, March 20, by Phi Theta Kappa at the local Veteran's hall and the Palms ballroom. Prizes will (Cont. on page three)

### Work On Lounges Is Under Way

With the appointment of Miss Hazel D. Dawson, home economics instructor, as designer of the remodeling work in the Men's lounge Calvin C. Flint, dean of men, announced that work is well under way on the project.

Miss Dawson will decide the design to be used in the lounge and also the color of the paint. A Spanish mode, with original art designs on the new wall benches, is to be followed. There will be a complete repainting of all furniture that is now in the lounge, and a few new pieces are to be added.

New drapes are being made by several women students for the newly remodeled lounge, and in return for their services, some of the men students are to do work in the Women's lounge.

The Board of Education is furnishing some supplies, and the art department is donating original art work to be hung on the walls.

### Value Of Jaysee Fund Told By Local Instructor

By MRS. JENNIE L. TESSMANN  
Member Student Loan Committee

As a rule student and faculty hear very little of the Student Loan Fund altho it has become an outstanding enterprise of the junior college. Just at present it seems to

Mrs. Tessmann uates of junior college to complete their four years of college work at other institutions. Since that time loans have been made to 145 and a revolving

fund of over \$13,000 established. Unfortunately that sum is not enough. Because of the abnormal conditions of the last few years the need for money available to students at a low rate of interest is greater than ever before.

**Many Are Aided**  
The Student Loan Fund is created and administered for the benefit of the student who has the desire for a complete college course but finds that some financial help is necessary. The student may borrow small sums or as much as \$300 a year and promises that the sum will be repaid within two years of graduation or that interest will be paid after that time. There is no expense in administering this fund as all the work is done as a contribution to the fund.

The need for more money for the fund is greater this year than usual. Because of the present conditions there is an increase in the

number of applicants and last year only one-half of the number wishing loans could be aided, altho all were deemed worthy by the committee. Because of the present conditions, also, the repayments have not come in as rapidly as in normal years so that more capital must be raised.

**Small Contributions**  
The fund has been raised by small contributions up to the present time and probably will continue to be raised in that manner. The committee feels that small gifts from many people will increase interest in, and knowledge of the fund. They wish that every student would contribute through the Penny Drive, a tradition since 1924, and interest their friends in the town to add something to the sum which will be loaned to students needing it for the coming year.

### Chris Ema Loses Sophomore Post; Titensor Defeated

#### Spray Defeats McIntyre In Race For Vice-Prexy Post

Final returns in the class elections held here this week indicate that Bill Dolan and Vic Rowland have been named as presidents of the sophomore and freshman classes.

Dolan ousted Chris Ema for the sophomore office in a runoff held Wednesday. Tom Lacy was the other candidate on the initial ballot. The newly elected prexy is now in his second consecutive term as president of the Buccaneers service club, being returned to office by the members last January.

Less than 20 per cent of the students in the sophomore class voted, a total of 46 ballots being cast. Dolan received the nod by a 30 to 16 count.

### Jaysee Quartet Wins In Amateur Contest

A quartet consisting of Nelson Rogers, Dick Key, and Jack and Bob Runnels, which was included among the 16 winning acts in the recent Orange County Amateur contest is now preparing to enter the Southern California finals contest to be held in Los Angeles next month. Representatives of the motion picture and radio industries will be present at the Los Angeles contest to select professional talent.

The local contest was sponsored by the Ebell club last Saturday night, to raise money for the Day Nursery.

### Students Number More Than 650

Latest registration figures showed today that the present enrollment in the college is 666. The freshmen class has the largest number of members, the survey revealed.

The enrollment by classes is: freshmen, 373; sophomores, 209; post graduates, 39; and special students, 45.

### Engineers Making Final Plans For Show On March 13

El Don was informed today by Charles Roemer that the rounding out process and the finishing touches were being applied this week to the program of the fifth annual Engineer's show to be staged next Friday, March 13, at Willard auditorium.

Besides partly completing charts and maps for each individual experiment, and the memorizing of speeches, further work was done by Roemer, who is chairman, and his assistants John Wallace, and John Ramiriz. The three have visited six county high school science classes for the purpose of advertising the affair.

The schools toured include Newport Harbor, Santa Ana, Garden Grove, Anaheim, Huntington Beach, and Tustin high schools. The experiment demonstrated was the Tesla coil.

### New Society Section Appears Today

Society minded readers of El Don will hereafter be supplied with all the latest campus social activities through the columns of the new society department which appears for the first time today on page six.

The society columns of the college paper will be edited by Ruth Warner. Several assistants will be named next week to aid her in gathering the social items.

### Plan Matinee Dance For Wednesday

More than 100 persons are expected to attend the matinee dance to be held in the Y lobby Wednesday, March 11.

The dance, a monthly affair is being sponsored by the Associated Students and is under the direction of Social Commissioner Betty Lee. Admission with a student ticket is five cents, 10 cents to all others.

### Leap Year Dance Nets \$75

Associated Women students' realized a ticket sale of \$75.50 at the Leap Year dance held last week at the Huntington Beach Memorial hall, it was revealed today by President Mary Lou McFarland.

Approximately 125 couples attended, including Messrs, and Mesdames D. K. Hammond, Calvin C. Flint, and Thomas H. Glenn, patrons and patronesses. L e o l a Schroeder, Ann Borchard, and Barbara Leebach served punch and took charge of the check room.

### Gil Evans Orchestra Presents Program

Gil Evans and his dance orchestra were featured in Wednesday's assembly in the Willard auditorium at 11 a. m. The program was arranged for by Al Markel, student head who announced the numbers. A public address system for vocal renditions and instrumental solos was employed.

The campus service clubs contributed to a fund which paid for the address system.

### Inter-club Stag Set For March 16

Plans were being completed for the annual Inter-Club stag, which is to be staged this year in Andrews gym on Monday night, March 16, it was announced today by Robert Bradley, chairman of the event.

Bradley stated that the stag this year would be composed of wrestling matches, boxing events, basketball throw, rope climbing, nail driving, balloon bursting, baseball throw, sack race, tug of war, and pull ups. The scoring will be on the basis of five points for a first place. Three points for a second place, and one point for a third place.

Bradley added that each club could enter one man in each event but that a man could not participate in more than that event and the tug of war.

The winner of the stag is awarded the "Little Brown Jug." Last year the jug was won by the Los Gauchos service club.

## Janitor Declares, "Nothing Ever Happens," In Interview

By GAIL GEORGE

"And what does a janitor think about?" William Collins, janitor and head man of College hall, wadded away his list bit of waste paper and began to enlarge upon his functions.

"Nothing ever happens," he complained. "You see a janitor has nothing on his mind."

Day in and day out, it seems, the janitorial existence flows on and on and presents few puzzles. Every day the same things happen and every day they happen in the same order.

"My first morning job is to light the heaters," explained Mr. Collins, or "Bill" as he is known by half the student body. "The rooms must always be heated by 7:45 to be ready for the first classes."

Armed with weapons ranging from push-brooms to pipe-wrenches, "Bill" then pursues the business of the day. Like other janitors he follows a daily schedule. He begins with dusting and ends with the locking of the doors at the end of the day. Between, at fixed times, he ranges the halls and corridors in a sweeping and cleaning campaign which is never ended.

## Syndicate Cartoon Depicts Student Parachute Jumper

National attention was focused on Santa Ana jaysee this week with the publication of a syndicated cartoon depicting the air feats of Barbara Charles, local parachute jumper, who was a student here last semester.

The cartoon, one of the "Campus Camera" series being published in El Don, appears on page 3 of this issue. It will be published in college newspapers throughout the United States.

Material for today's cartoon was submitted to Artist Norman Lea, who resides in Madison, Wis., by John H. McCoy, local journalism instructor. The data was secured from a cartoon previously drawn by Armand Hanson, El Don cartoonist.

Information received from Mr. Lea sometime ago indicated that another cartoon featuring Santa Ana junior college will appear early next fall.

Publication of today's cartoon makes the third consecutive week that jaysee has received national notice. The last two issues of Collegiate Digest, rotogravure supplement, have each contained a local photograph.

## Humor Magazines

Slowly, but surely, college students are learning that they cannot print a lot of sensational scandal, questionable pictures, foul jokes, and "dirt" items in the columns of a school publication.

This was demonstrated on our own campus some weeks ago when the first issue of a humor magazine was circulated. This week, Fullerton students found themselves in a similar plight following the publication of a new "humor" journal.

Yet public schools are not the only ones who are experiencing difficulty in printing this type of material. Witness the following report issued this week by the Associated Collegiate Press, college news and feature service:

Collegiate humor magazine editors in two universities ran afoul of postal authorities and school officials recently at Harvard university, and the University of Missouri when the latest issues of "The Harvard Lamppoon" and the "Show Me" were seized just before they were distributed.

At Harvard, Cambridge police officials, postal authorities, the acting mayor and the district attorney, after scanning the issue which burlesqued a national magazine, decided that it was obscene, profane and scurrilous," ordering it banned from the mails.

Because "some of the items in the 'Show Me' were lewd and salacious," Arthur K. Hockel, dean of men at the University of Missouri, locked all copies in the university safe to prevent their being distributed. Although no action is contemplated against the editors in this instance, Dean Hockel warned that unless the whole magazine is generally toned down, it will be permanently abolished.

Editors of college humor publications must show some discretion in selecting stories and articles for their respective journals. Unless they decide to abide by some of the same rules laid down for school newspapers they cannot hope to be successful in their undertaking.

Those in charge of the monthly magazine circulated here have realized this and are making every effort to issue a respectable product. They are to be congratulated for their willingness to cooperate with local administrators.

## The Grade Massacre

According to the ineligibility list which accompanied the first Freshmen nominations, it appears that scholarship and leadership don't always run hand-in-hand, or else that the Frosh didn't take their first semester seriously enough and expected to get good grades as easily as they did in high school.

Whichever the case may be, this experience of having five nominees for class offices disqualified because of low grades, will probably tend to make more than one student apply himself a little more diligently to the "reading, 'riting, and 'rithmetic."

This plan of restricting student offices to those with good

grade averages is very commendable as anyone who can't make a "C" probably wouldn't make a good officer either. If he is capable of making a "C" average but doesn't want to work hard enough to get one, he doesn't deserve the privilege of being an officer.

A good example which demonstrates that scholarship and leadership sometimes do go hand-in-hand, is the case of George Robertson, who was president of the Associated Stu-

Strike us pink! The other day we became interested in the number of radio dance tempo dispensers who possessed truly "colorful" names. For instance, there's Johnny Green, Frank Black, Glen Gray, "Red" Nichols, George Redman, Paul Whiteman, and Cleo Brown, that colored groaner of red-hot blues numbers. Yeah, and there are others, too. Are you seeing red? ..

## Lounges and Lunches

Santa Ana jaysee is very fortunate in having lounges. . . . places where students (who have that "C" average cinched) can loaf around in their free time and play cards, listen to the radio, or just "chew the rag." The lounges are now being improved and remodeled with the money raised by the Penny Fair.

Now fellows, that these lounges are being made over like new, let's keep them that way and go a little easy on the furniture. Try to refrain from throwing the chair across the room and above all, don't . . . for Pete's sake . . . don't eat your lunch in the lounge. The odor of old banana peels, apple cores, oranges, peanut butter sandwiches, and pickles, which are tossed in the waste baskets, (besides drawing the flies) is so offensive to the olfactory organ that a pedestrian walking along Main street can tell where the lounge is with his eyes shut, if the wind is blowing in the right direction.

## Spring Sport Dance

Although the annual Spring Sport dance, sponsored by Los Gauchos, is still a long way off, plans for the affair are already being made. One of the first problems which arose in discussing the dance was whether the date set by the social committee was appropriate or not. Although the affair has been scheduled for May 8, some of the club members thought it should be shoved up to the day before spring vacation. In the past it has been before the Easter holidays, but since it was always a little early for spring, the social committee this year decided to shove it back a little.

In other words, "When has spring, really sprung?"

## A Myth To End All Myths

Sing to me, Muse—

Love came to Jupiter, the cloud compeller. It came in the form of a woodland nymph Tustinia, daughter of Orango the sun-kist and Lemonitus the sour-puss. Jupiter had wooed the fair-formed Tustinia in the guise of a snow-white swan. Oft he had entertained her on Mt. Olympus, where he had eaten ambrosia and nectar.

But the Oracle of Delhi prophesied this union would be an unhappy one, and besides, Jupiter had too many wives already. This greatly grieved the mighty Jove, and as a result he had a mighty headache. After plying himself with aspirin and bicarbonate of soda, he sent for Vulcan, the Olympian doctor. Vulcan gave him quick relief by chopping his head open with an axe. He had no sooner struck the blow than out leaped Minerva, his brain-child who had been the cause of his headache all the time.

Meanwhile the fair-formed Tustinia was greatly burnt-up at being cast aside. She even threatened to tell Juno, Jove's wife, and bring on suit for heart balm. Greatly disturbed by her threats, Jupiter turned to his brain-child, Minerva (noted for her I. Q.) and asked her what to do.

Minerva told him to offer his nymph the most handsome man in

the world for a lover. Jupiter, acting on her advice, sent to far-off Hollywood for Gablus, renowned for his ability to make love. Tustinia was immediately satisfied and all would have been well except that some of the goddesses fell in love with Gablus and began to woo him. Juno had even given him her telephone number. And Venus put on her—charms.

So Jupiter, peering down through the clouds and seeing that all was not well, took compassion on the lovers and turned them into two stars. And to this day they can be seen in the heavens on a clear night from Lemon Heights.

Junior had become so interested in reading the story on the side of his package of Rice Krispies at breakfast that he was almost late to school.

SANTA ANA, March 6, (PU) dispatch—Because of a strange epidemic that has swept the school, Santa Ana junior college was closed today following a special session of the school board.

Medical authorities have been baffled by the strange disease. It has been diagnosed as entymal-ousness, which is characterized by two different reactions. Some victims have been known to act in an intoxicated manner, leaping lightly about the lawn after a terpsichorean fashion. Others are marked by symptoms of sleeping sickness, with misty eyes and drooling mouths.

In reply to questioning, the victim merely replies with low sighs and draws. Said Dr. R. U. Buggles, who is head of the medical staff in charge: "We have found that the only cure lies in plenty of sunshine and therefore, we have recommended sun baths at low altitude points, preferably beaches."

Pause.

"I'm sorry Miss Clutts, I didn't hear your question. I must have been asleep."

## Rapid Flight . . .

Loud noises emanating from the vicinity of the staircase one day this week were caused by co-ed Barbara Davis. Catching her heel on the top stair, Miss Davis made a rapid descent—after a fashion. Result: the heel was on the top step—the shoe and what was left of Barbara was on the bottom one. Some heel (or gentleman) rushed to her aid and with the help of the library hammer, mended her soul.

We heard about Dick Foster who received a prize of five gallons of gas for safe driving from a local newspaper and then went out and had a wreck that same night.

## Jaysee Debaters To Meet Compton Thursday

Santa Ana's debate squad will go into action next Thursday when the long awaited match with Compton jaysee takes place here at 2:30 p. m.

Morris Christy and Kenneth Stowell, who have debated only once this year, will represent the local college on the negative side of the question: Resolved, That Congress shall have power by a two-thirds majority vote to override the decision of the Supreme court declaring legislation unconstitutional.

Although the meeting with Compton this week is non-conference, as well as non-decision, Coach Robert S. Farrar regards it as important because of the coming Pi Kappa Gamma tournament to be held at Redlands university on March 19, 20, and 21.

Mr. Farrar said that on the tentative list of those he would send to the tournament are Gordon Bishop, Bessie Burles, Morris Christy, and Kenneth Stowell.

There were no other developments this week on panel discussion, Mr. Farrar said. Citrus has so far failed to answer an invitation extended to them asking for a panel discussion meeting.

## Local Student Arrives At Honolulu

Hawaii, paradise of the Pacific, had adopted one of Santa Ana junior college's fair Dona's today, for last night the S. S. Lurline docked at Honolulu with Dorothy Ryan as passenger. She embarked from Wilmington on Feb. 29 after securing passage to the islands as a birthday present.

One of the first problems to face Dorothy upon arrival will be employment as she had only \$15 in her possession. She plans to secure a part time job and to enter the University of Hawaii.

As her ambition has always been to further her education at the university, she readily accepted a one way passage as a birthday gift.

Friends who hated to see her leave gathered together a small sum with which they presented her with a gift.

Before sailing, Miss Ryan promised to write to El Don of her experiences in the Islands and the letter will appear in an early issue of the paper.

## Mineralogy Classes To Leave On Randsburg Trip

Mineralogy class members plan to leave this afternoon for a week-end trip to the famous Randsburg and Atolia mining districts, returning Sunday evening.

"The group is scheduled to stop in the Cajon pass enroute to collect minerals and view the San Andreas fault," stated H. A. Scott, instructor. The overnight stop will be made at Trona and from there the party will inspect the tungsten mines of Atolia, and the marble deposits of Randsburg. If it will be possible they will visit the silver mines near Randsburg.

According to Mr. Scott, the group will travel on to Searles lake, a dry lake with extensive travertine

## Photos Must Be Of Campus Life

As an added incentive to local camera enthusiasts, prizes will be awarded for the best photographs turned in to Del Ano from Wednesday's Snapshot day, it was announced this morning by Ray Grimes, yearbook photographer.

Prizes of a roll of films will be awarded to the five persons submitting the best photos taken on Snapshot day by Sam Stein's stationery store.

A committee of judges composed of Charlotte Mock and Clifford Lee, snapshot editors, and Grimes will decide on the best views. Selection will be based on the representation of school life. A first prize will be presented at the end of the year for the best photograph submitted. All winning photos will be printed in the annual.

George Bronner, president of the Junior Lions, was appointed assistant activities editor of Del Ano last week. He will write up the service clubs and publications, aiding Marjorie Bush, fine arts editor and Robert Forcey, activities editor.

A meeting of the staff of Del Ano has been called for Thursday night and will be held at the home of Mrs. Eleanor Northcross, literary adviser. Complete plans for photography and literary work will be made then, according to Edna Wilson, yearbook editor.

## Class Officers Are Elected

(Continued from page 1)

**Rowland Wins**  
Rowland defeated Allen Titensor by a comfortable margin, polling 44 of the 57 votes cast. According to tradition Rowland will have complete charge of the graduation ceremony to be held here in June. This task was performed by Bill Dunston, now vice-president of the Associated Students, last year.

Fewer than 20 per cent of the freshmen class supported their candidates, a total of 57 votes being cast for each office.

A triple count in the vice-presidency race for the frosh failed to reveal any changes in the balloting and Bob Spray was awarded the position over Charles McIntyre by one vote. Spray tallied 29 ballots to 28 for McIntyre.

**Berry vs. McBride**  
The runoff in the secretarial race will be between Lorna Berry and John McBride. Clyde Files, the other candidate for this office was defeated in the initial ballot. Miss Berry and McBride each polled 25 votes.

Neil McDaniels received the highest vote count in the treasurer's campaign but failed to poll a majority. Jack Wallace was removed from the running and the new vote will be between McDaniels and Jean Mulbar.

deposits, and also to the Mexican onyx deposits above Searles lake where some of the finest specimens in the country have been found. From there the party will return home.

Persons who will make the trip include: Harold Baker, James Boyd, Bill Brady, Stephen Bruff, Ted Butterworth, Norman Caldwell, John Griset, Lucille Griset, Earl Jinette, Jean McAuley, Murray Patton, William Ruddiman, Roy Seaver, Bill Shepard, Allen Winslow, Mr. and Mrs. H. A. Scott, Mrs. Crane and Mr. McArthur.

Rogers Deering, farm machinery fortune heir, has bequeathed \$7,000,000 to Northwestern University.

## Men's Service Clubs Fete Prospective New Member

Buccaneer members gathered this week at the home of Arman Hanson, 917 S. Garnsey, for their regular meeting.

Six new men were voted to enter into pledgeship at the meeting. Those entering pledgeship are: Max Galusha, Fred Bachr, Clyde File Bob Fowler, Walker Davis, and John Overton.

Business of the meeting centered around plans for the Inter-club stag. Preparations for the annual yacht party and a proposed revision of the club constitution were also discussed.

Cards and games were enjoyed following the business meeting.

### BACHELORS

Two pledges were introduced to members of the Brotherhood of Bachelors at a meeting this week in the home of Al Markel. Allan Titensor and Dick Connell were the new prospects.

An informal business meeting was conducted principally to decide who were to participate in the various events of the inter-club stag March 16. Bob Spray, senior exalted, presided in the absence of Vernon Koepsel. A buffet supper furnished by Al Markel followed the meeting.

### GAUCHOS

Meeting at the home of President Walt Bandick, Los Gauchos entertained eleven prospective members to refreshments and card games.

During the business meeting, Fred Erdhaus was appointed as a committee of one to take charge of the Gauchos entrants in the Inter-

club stag which will be held in two weeks.

Plans for the Gauchos Spring sport dance were discussed by the club. The date of the dance was set on May 8. Further details will be worked out by committees.

The meeting was then adjourned, after which refreshments were served and card games were played.

### JUNIOR LIONS

Thirteen rushees were entertained by the college den of Junior Lions at a meeting held this week in the home of Secretary Franklin Guthrie.

Prospective members in attendance were Jack Skinner, Bob Long, Ted DeWolf, Emmert Morgan, Herbert Piety, Dick Geeting, Phil Cook, Marvin Hinton, Morris Christy, Dick Shepard, Ira Damesell, Mel Smith, and Max Galusha.

Eric Twist, local Metropolitan Lion and deputy district governor of the organization, made a personal invitation to all club members to attend a central council meeting, to be held March 17 at local tea room.

Card playing and table tennis followed the business meeting. Refreshments were served.

## Pegues Is Appointed U. S. C. Desk Editor

Appointment of Jack Pegues, former editor of El Don, as desk editor on the daily Trojan of the University of Southern California, was announced this week by university officials. Pegues is a brother of Jim Pegues, sophomore student here.

While enrolled at jaysee, Pegues served as sport editor of El Don before acquiring the editorship. He was also co-editor with Charles Downie of last year's Del Ano.

The junior college journalism scholarship given annually by U. S. C. was won by the Santa Anan last spring, and he has been a member of the Daily Trojan staff this year. As desk editor he will have charge of the university staff one day each week.

## Committee Of Eight To Choose Cantata Cast

Deciding who will perform in the combined high school and junior college cantata, eight faculty members will meet next Wednesday.

Those eight instructors are in charge of different departments that are producing the cantata, the first to be held in Santa Ana, this year.

Miss Myrtle Martin, who is collaborating with Allan Revill and Leland Auer in directing the musical part of the performance, announced today that materials have arrived from Los Angeles which are to be used in the cantata.

This queer-looking but speedy craft is the "Crusader," newly-built plane which could get you to Europe in 12 hours, if you so wished. The craft, designed by Thomas M. Shelton, will travel at a height of 26,000 feet and will make 300 miles an hour at cruising speed. The plane will make a Miami-Chicago hop shortly.

This cotton gin machinery was toppled over and completely destroyed by the mad tornado that swept through the Sand mountain section of Alabama. Four lives were lost. Property damage ran into the thousands.

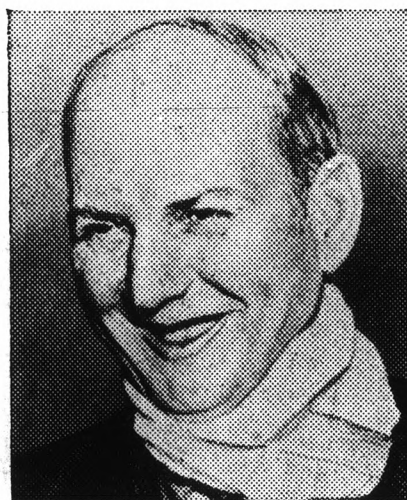

The Cross of Military Merits was accorded by the Mexican government to Lieut. Col. Herbert Edgar Marshburn, military attache to the American embassy in Mexico City. This is the first time that a foreigner has received this great honor. The photograph shows Gen. Salvador Sanchez pinning the decoration on Colonel Marshburn.

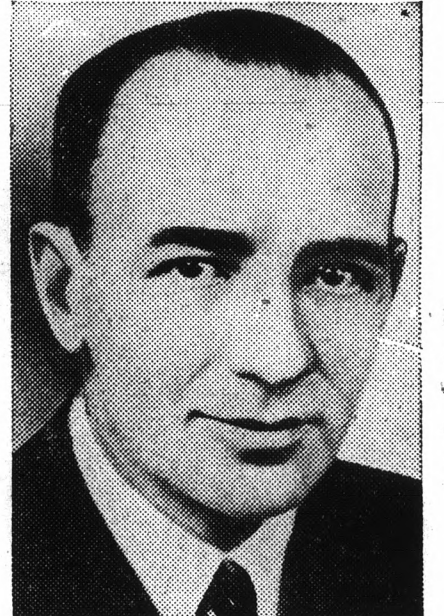

With snowdrifts reaching nearly to the top of telephone and telegraph poles, many trains were stalled throughout the Middle West during one of the worst snow storms in years. This engine was part of a train that was snow-bound 14 hours before the cars were pulled out backwards. Now a snow plow can be seen coming to the rescue of the engine, one mile from Jackson, Wis.

### KING AT WHITE HOUSE

Jeff Davis, king of the International Itinerant Workers, union of hoboes, in all his royal finery was a recent visitor at the White House. The Chief Executive was unable to take time to see the hobo de luxe, but nevertheless Jeff pledged the support of 600,000 knights of the road to Roosevelt. He said that President Roosevelt has done more for the hobo than any other President.

### HEADS RADIO CHAIN

Maj. Lenox Riley Lohr, formerly general manager of the Century of Progress exposition, Chicago, was elected president of the National Broadcasting company, succeeding Merlin H. Aylesworth, who asked to be relieved of his duties.

## TRACKMEN VIE FOR HONORS AT LONG BEACH

### JOHN HENRY SAYS--

#### SPRING FEVER HITS HERE

Spring fever, that truculent epidemic that swoops down on us every year at the first signs of warm weather seems to be extracting an exorbitant toll around the local campus of late.

This fact alone should cause no concern, however, it is the result of this plague that has proved interesting to this department. There appears to be a departure from the usual symptoms accompanying the ailment here.

We are told that in the days gone by there was a period in which the victims wish to do nothing but sit around under the sun and sleep, after which there came that period in which the mashies and drivers were taken out and polished for some and the horsehide was tossed around among others.

#### FIRST SYMPTOMS RAGING HERE

There can be no doubt but what the first period or symptom has been raging among us for quite some time, but as for the second step—Well there appears no evidence of any of this step around the local institution.

Last year, a formidable group of baseball addicts started practice about this time only to abandon their play after they dropped the season's opener to the Citrus club. However, they came back last fall with the statement that they were going to put a good enough club on the turf this spring to vindicate their actions.

The boys appealed to the school board for funds to carry on their activities after they had been left out of the Associated Student's budget and that noble body of men assured them that if they wanted to play ball the board would dig down into the 'general jeans' and produce one hundred little iron men for them to work with.

#### DAVIE DON IS AGAIN UNREPRESENTED

Well, to make a long story short, for some reason the addicts have disappeared and we find the highly touted Davie Don will put none of his cohorts in the baseball race again this year.

The example set by these diamond aggregates seems to have made an easy mark to imitate, for now the divot digging golfers are on the verge of following suit. They were scheduled to tee off against the team from Long Beach jaysee last week, but Captain Lee was forced to call this meeting off because of lack of cooperation.

Now, Cliff tells us that he cannot get the golfers out to the course to practice and it appears as though the Padres may have to cancel some of their other engagements.

#### WRESTLERS PRESENTED GOOD ARGUMENT

The wrestlers presented a good argument when they discontinued practice because they could not get a mat on which to continue their endeavors recently, but there can be no explanation of the action of the other aggregations unless we accredit it to old man Spring and his cohort, Spring fever.

It seems certain, though, that there is something decidedly wrong. What is it, we do not know, but appears to us as though some one should discover an antidote to the plague that threatens to wreck the athletic standing of the Dons.

The recently released Don conference golf schedule includes matches with:

Citrus, here, on April 4.  
Riverside, there, on April 11.  
Fullerton, there, on April 18.  
Chaffey, here, on April 25.  
San Berdoo, there, on May 2.  
Pomona, here, on May 16.

## Coaches Select Ace Cagers

### Erdhaus, Lockhart Land All Star Positions

That Santa Ana and Riverside individual stars dominated the recent season's basketball performances, was revealed here this week when the results of a poll by the league coaches to determine an all star aggregation were computed.

The Dons, who started the season as dark horses of the league race, placed two men on the mythical all-conference group, with Center Freddy Erdhaus and Guard Leonard Lockhart getting the call from the coaches. Merle Harris, high scoring forward for the Bengals, was teamed with his fellow Tiger, Peterson, at the forward positions. The remaining position on the first selection went to Fullerton's Dale Allison, playing his second season of 'bang up' guarding for the Nunn cohorts.

The coaches voted as members of the second team: Ford, Citrus; and Bunting, Pomona, forwards; Tommy Berkley, Fullerton, center; and Caldwell, Riverside; and Lehman, Pomona, guards.

The poll, conducted by El Don, brought the votes of six of the league coaches including: Jess Mortensen, Riverside; Art Nunn, Fullerton; Roy Riegels, Pomona; Al Clayes, Citrus; Ernie Payne, Chaffey; and Al Reboin, Santa Ana.

### Women's Athletics

Local jaysee women returned victorious from the annual playday last week at Compton junior college. Athletes copped a second successive first place in a hockey game. At this time last year the co-eds won over Fullerton. This week they defeated Compton 3-2.

Those included in the line-up were: Adelia McVey, Nedra Montgomery, Eva Bergee, Lois Pranke, Gerrie Griffith, Annette Howell, Azalee Hawley, Barbara Leebach, Marjorie Bush, Llewellyn Allen, Helena Bailey, Betty Martin, Charlotte Mock.

#### TENNIS PLAYERS WIN

Tennis players also came to the front with two victories. Marijane Belcher lost to Dorothy Cline of Fullerton.

Dorothy Amling won over a Long Beach team. Betty Lee and Georgiana Ange defeated Compton players.

At the conclusion of the games all groups from Fullerton, Long Beach, Compton, and Santa Ana gathered at a nearby park for lunch. The celebration ended with recreative entertainment provided by the Compton Womens' Athletic Association.

#### SWIM ON TUESDAY

Beginning Tuesday, the women swimmers will practice twice a week in the Y. M. C. A. pool. Life-saving will be taught under the direction of Bill Walter, Laguna Beach life guard. Later racing and diving will be taught in prepara-

## Dons Meet Citrus In Track Tilt Wednesday

Don trackmen have their coming out party next Wednesday March 11, when they tangle with Al Clayes' favored Citrus Owls on the Citrus oval.

The meet should be a corker, for Clayes has the championship fever with brilliant array of talent. Coach Cook of the Dons also has a title contender this year.

Six lettermen returned this year at Citrus, Dick Farmer 2 flat 880 man, Brown a miler, Conklin a good 15.8 man in the highs, Chassin 160 ft. in the javelin, Wright 12 ft. vaulter and Clay a 10.2 sprinter. Jim Montgomery 23 foot broad jumper and 10 flat sprinter from El Monte is Clayes' outstanding recruit, Bob Farmer, brother of Dick, runs middle distance races, Gene Morris Anaheim's "midnight express" 10 flat sprinter and Mills a 12 foot vaulter complete the list of sure point winners.

Vernon "Kep" Koepsal is on the ailing list, but Cook believes he will be ready for races Wednesday and should give the three Citrus sprinters a run for it in the 100. and 220.

## Reboin Sees Good Season For Local Natators

With the start of varsity swimming practice here this week, Coach Al Reboin indicated this morning that he felt prospects for a winning season were bright with a flock of new talent turning out to supplement the return of four lettermen from last season's squad.

The returning lettermen are: Bill Dunston, 100 yards; Nolan Hasson, premier sprinter last year; Jack Runnells, backstroke artist; and Johnny Henry, diver and breast stroke swimmer.

Reboin expects that his 400 yard relay team will be one of his strongest events, with such stars as Hasson, Dunston, Henry, Dave Beall, Dave Phoenix, Walker Davis, Charles Maxwell, and Bill Walters trying out.

Fullerton meets the Dons here on April 18 for the first meet of the '36 campaign. The rest of the schedule follows: April 25—Santa Ana Bye; May 2—Santa Ana at Chaffey; May 9—San Bernardino at Santa Ana; May 16—Santa Ana at Pomona.

These meets will be supplemented by several practice meets and the conference and Southland jaysee championship events.

### IN THE SPOT

#### FRANK BOYD

From the wind swept plains of Kansas where he participated in high school meets as a 'timber topper,' Frank came to the local institution last year to become one of the fastest quarter milers in the conference.

When he was put under the coaching wing of Bill Cook, the diminutive Kansan ceased his hurdling endeavors and turned to straight running. He has clipped off the double furlong event in fifty seconds in competition and Cook expects him to get well below that mark by the time the end of the coming season draws nigh.

## Trackmen Attend Long Beach Relay Classic Tomorrow

### Many Olympic Prospects Vie For Honors

By GEORGE BRONNER

Fifteen cinder artists will represent Santa Ana junior college at the 18th annual running of the Long Beach relays to be held tomorrow at Stephens Field, Woodrow Wilson high school, in Long Beach.

Competition will be the stiffest the Dons will encounter this year with many Olympic games prospects entered from California's major universities and colleges. Such outstanding athletes as Glenn Cunningham, holder of the world's record in the mile; Bill Sefton, a 14 foot, 3 inch pole vaulter from U. S. C.; Delos Thurber, famous Trojan high jumper; and a galaxy of stars from Stanford, U. C. L. A., junior colleges and high schools all will dig in their spikes for glory.

#### Preceded Citrus Meet

The gigantic meet precedes the Don conference opener at Citrus jaysee next Wednesday, and will be entered largely for the experience of the local trackmen.

Coach Bill Cook has entered fifteen men to take part in nine events. The four-man 440 will find toeing-the-mark Santa Ana's "fastest humans" with Vernon Koepsal, Frank Boyd, Bill Greshner, and Al Parr passing the baton. A four-man medley composed of Boyd, in the 440, Clark in the 880, Frias in the 1320, and Ochoa in the mile, will be the other relay entered.

## Co-eds Entertain Escorts Following A. W. S. Dance

Many junior college co-eds entertained either before or after the A. W. S. dance Friday, Feb. 28, in Huntington Beach. Nine girls entertained their escorts with a pre-dance dinner in the Abalone room of the Bay Shore cafe on the coast highway. Those attending: way. Those attending were Jo Green, Evelyn Chapman, Doris Asher, Ruby Frank Jones, Bernice Sparks, Jean Palmer, Frances Was, Charlotte Mock, Polly Angne and their guests John Rabe, Bill Dolan, Bill Shields, Harris Warren, Woodrow Hadley, Frank Bartolomew, Dave Sheppard, Bill Greshner, and Bill Sheppard.

Another jolly party was held before the dance at the Doris Kathryn tea room in Santa Ana. The group included Llewellyn Allen, Eloise Walker, Barbara Davis, Gwen Griffen, Dorothy Van Deusen, Julie Wolven, Betty Jane Moore, Priscilla Carroll, and their escorts Donald Watson, Bob Peacock, Fred Erdhaus, Russell Abbey, Milford Carman, Tom Tradewell, and Charles Kiser.

Many gatherings were held after the dance also and a group of 28 junior college students traveled to the Imperial cafe, Belmont Shores for a midnight dinner. The group included Betty Martin, Helena Bailey, Ruth Wasson, Eva Bergee, Mary Wallace, Adelia McVey, Betty Lee, Lois Pranke, Mary Lou McFarland, Jean McAuley, Helen Wilkie, Betty Bryant, Dorothy Pettit and Louise Sexton and Charles Roemer, Bud Jones, Fred Lentz, Dave Phoenix, Leo Johnson, Stewart Meece, Chris Ema, Al Markel, Bob Ramm, Louis Wetherall, Bob Spray, Walt Bandick, Lloyd Buckfinch, and Pete Plumb.

Helen Markel entertained eight of her friends at her home on Greenleaf street after the dance. Her guests included Nadine Johnson, Doris Moore, and Marian Pritchard and their escorts, John Morris Jack Wilson, Dick Moore, and Bill Dunston.

The same evening Barbara Dunton invited a group of old and present junior college students to her home on East Fourth street for a midnight supper. In the party were Mr. and Mrs. Joe Knox, Barbara Crawford, Dorothy Gowdy, Ruth Warner, Yette Blank, Lucille Cook, Margaret Sawyer, and Ruth Baker, and their guests Frank Wilis, Kenneth Vanduff, Art Craft, Edward Bragg, Major Anderson, Francis Gilbert, Otto Grigg, and Paul Hales.

## It's The Top

It is the weather like this that makes us get out last year's clothes and give them the once over. Old dresses will do for awhile and winter clothes will be worn another month, but it is not too early to attire your feet in summer shoes. THE TOP THIS WEEK is oxfords—low heeled ones—or better yet—no-heeled ones—white is always good, and watch for the new lug-gae color (you'll see it in hosiery, too). But speaking of hose, that subject will soon be a minor worry in your wardrobe. Watch the bobby socks come forth!

## Disa And Data

The Winter Carnival at Big Pines last week-end was enjoyed by many students of the junior college. Included in different groups which traveled to the snow either Saturday or Sunday were Jean McAuley, Mary Lou McFarland, Paul Christ, Harvey Baker, Kenneth Nissley, Chris Ema, Dorothy Guthrie, Lois Murray, Eloise Walker, Norval Witt, Robert Forcey, Ray Foster, Marjorie Jacques, and Vivian White. Adelia McVey, Walt Bandick, Bob Ramm, and Ruth Wasson.

Kenneth Hunt, Chet Ewing, and Willard Francis are sailing from Laguna Beach to Balboa tomorrow in a 15 ft. sailboat.

Dick Clark traveled to Los Angeles early this week to visit Betty Harris, a former student here.

Priscilla Carroll and Polly Angne were both week-end visitors in South Pasadena, their former homes.

Barbara Dunton, who is to be married to Paul Hales Mar. 20 in the United Presbyterian church of Santa Ana has been feted with many showers in the past week.

A group of junior college students bid farewell to Dorothy Ryan former student here when she sailed last Saturday on the Matson liner, the Lurline, for Honolulu. Those who made the trip to Wilmington were Mary Knoche, Charlotte Bartlett, Neil McDaniel, Clair Anderson, Jim Scheurick, Sid Schnellar, and Fred Baehr.

Harriet Fowler and Helen Wilkie entertained guests from out of town over the week-end.

Alex Clark, former student here, was married to Enid Kenyon on Sat. Feb. 22.

## Girls Service Clubs Pledge Thirty

### SPINSTERS

Four Spinster pledges began their pledge week duties Monday night, when the informal pledge meeting was held at the home of Mary Lou McFarland.

Friday, Apr. 3, has been chosen for the annual Spinster spree, Louise Sexton, president, announced. Committees have been appointed, and work will begin at once.

According to Charlotte Mock, pledge-mistress, pledge duties will continue until March 2, date of formal pledging. At this time Lorna Barry, Dorothy Griset, Katherine McDermott and Helen Furguson will be admitted to the sisterhood.

### PILOTEER

Piloteer rushees are distinguished this week by the wearing of silver toy airplanes.

An informal initiation party was held at the home of Evelyn Hammett. Initiates were guests of charter members at a local theater.

Those included in the list of rushees are: Margaret Crowell, Helen Markel, Marijane Belcher, Eunice Filer, Marian Pletke, Mildred Filer, Tannis Hieman, Jean Upshall, and Clarice Miller.

Eunice LaBrow is pledge mistress for this season.

Plans are being formulated for a combined meeting with the Junior Lions in the near future.

### MOAVS

Plans were made for various social functions to be held in the near future and Fiesta day plans were discussed at a meeting of the Moav club held at the home of Miss Mabel G. Whiting, adviser, this week.

Charlotte Atchey was appointed chairman of the committee to find a location for the annual Moav formal dance to be held some time in April. Nadene Johnson heads the committee to make arrangements for a weiner bake scheduled for March 16. Henrietta Rurup was appointed to plan the Moav booth on Fiesta day, and Phyllis Hefke is in charge of costumes.

### LAS GITANAS

Red bandanas, and bobby socks with high heeled shoes distinguished the Gitanas pledges this week following informal pledging last Monday at Dorothy Pettit's home. Those pledged are Jerry Griffith, Mary Elizabeth Heaney, Elizabeth Borchard, Dorothy Stadel, Betty Hill, Mary Crowe, Kathryn Bolton and Genevieve Eustis.

### LAS MENINAS

Las Meninas members recently entertained their pledges at a 'round the year party beginning with a Hallowe'en cocktail at the home of Erlene Farmer. From there the group progressed to the home of Dorothy Van Duesen for a course served in the Christmas atmosphere. Llewellyn Allen was hostess for the main course with an

## Students Say:

What do you like least about J. C. men?

June Licht—impoliteness.

Jean Palmer—boys who will not order first.

Jean Reuter—fellows who "just drop in"—without calling.

Poly Angne—any one with a "line"!

Frances Was—fellows who have to swear to be masculine.

Margaret Sawyer—boys who get a date, and then say "what shall we do?"

Caro Cogan—fellows who talk about the girls.

Lorna Barry—boys who are conceited with no reason.

Charlotte Mock—fellows who jump when they dance.

Evelyn Chapman—anyone who hangs around the house but never asks for a date.

Edna Wilson—a fellow who always, lets me have my own way.

Easter motif and the dinner was concluded with a Fourth of July dessert served by Helena Bailey.

The remainder of the evening was spent at the home of Eloise Walker where the new members presented an amateur show in an appropriate Labor day setting.

The new pledges are: Velma Kuechel, Margaret Kelly, Jean Strahle, Dorothy Jenkins, and Kay Blake.
